LOCAL AND OTHERWISE.

Register!

The heavy wind of to-day foretells a  
season of bad weather.

George Nebitt left yesterday on a busi-  
ness trip to Salt Lake.

Saturday, day after to-morrow, is the last  
day on which voters can register. Don't  
overlook it.

It is estimated that the vote of Storey  
county will be from 700 to 900 less this year  
than it was two years ago.

A social dance is to take place on the  
26th at Thompson's Opera House. A good  
time assured to all. Tickets \$1.

The County Clerk has been busy this  
week getting off election supplies to the re-  
mote precincts in the county.

The registration books in the various vot-  
ing precincts throughout the county will  
close on the night of the 20th, inst.

The New Era says the altitude of Ken-  
nedy is 5,325 feet, which is 1,000 feet lower  
than Austin and about 900 feet higher than  
Winemucca.

H. E. Freudenthal and T. J. Osborne  
went to DeLamar Sunday to look after their  
political welfare, and returned early Tues-  
day morning.

Political notices of various kinds consti-  
tute the bulk of our news and information  
nowadays and curtail the amount of regular  
reading matter.

C. J. Bosko and Ky Simpkins came in  
from Ely this evening, the former on one of  
his regular trips, and the latter to look us  
up generally and for recreation.

A number of county candidates returned  
yesterday from canvassing the extreme  
southern part of the county. Another de-  
tachment leaves for the south within a day  
or two.

Mrs. Mamie Kelly leaves to-morrow morn-  
ing to take charge of the DeLamar school.  
A private house will be used until the  
school building, for which funds are now  
being secured, is completed.

G. W. Dungan and A. E. Kaye, People's  
Party nominees on the State ticket for  
Treasurer and Sup't of Public Instruction  
respectively, have resigned, leaving that  
party with candidates for but five of the  
twelve State offices.

Paper on which to print the election  
ballots was received here on Tuesday. To-  
day the ballots are being printed in the  
RECORD office and will be ready for delivery  
to-morrow. The paper this year is tinted a  
light blue.

The official notice of the County Clerk  
of names which have been certified to him to  
be voted on is published this week. This  
notice prevents the perpetration of fraud  
under the Australian law by political bosses  
in withholding from, or adding to, the names  
which should properly be voted for.

The Silver Party continues to hold enthu-  
siastic meetings all over the State. At  
Eureka the party is particularly strong;  
only five straight out Republicans remain.  
They stood in the other night and assisted  
at a Populist meeting; thus strengthening  
the increasing belief that the People's  
Party is in ally of the Republicans.

Local candidates on the Silver Party  
ticket to the number of half a dozen, visited  
Spring and Eagle Valley's last Saturday.  
The ordinary routine of political drumming  
was varied by a dance at Eagle Valley and  
an exhibition of the Edison Phonograph,  
which a member took along for amusement.  
A very pleasant evening was spent at  
Eagle Valley and the performance may be  
repeated shortly.

The case which Al. Thorne U. S. Com-  
missioner had up for hearing last Monday  
was a charge preferred by Rufus Pippin  
against John Kierman for selling wine to  
Indians. Kierman was brought up from his  
ranch fifty miles down the Wash on Monday.  
The evidence submitted on the part of the  
prosecution failed to prove a case and the  
defendant was discharged. Personal feeling  
is said to have actuated the complaining  
witnesses.

Vote Yes.

Aside from the Constitutional Amend-  
ments, upon which a majority of our citizens  
will vote "no" at the coming election, a vote  
is to be taken to ascertain the sentiment of  
the people on the matter of electing United  
States Senator from this State, as to  
whether the election shall continue as now  
to be made by the legislature of the State,  
or by the direct vote of the people. The  
latter method exists in many of the  
States of the Union and there are good  
reasons why the same plan would be a  
benefit to Nevada. On this question then  
let us all vote "yes."

FOR STATE PRINTER.

From the numerous personal and press  
compliments being received by N. P.  
Dooley, the People's Party candidate for  
State Printer, we are led to believe regard-  
less of party affiliations, that his majority  
on the 6th day of November will be some-  
what of a surprise to his political opponents.

Although on a different ticket our  
personal knowledge of the young man's  
qualifications justifies us in stating that no  
better person could be elected to that office.

The following extract from the DeLamar  
Lode will more fully explain his position:

The nominees for State Printer, N. P.  
Dooley, is a typical Nevada. He has  
been in Storey county in 1867 and has re-  
sided in Lincoln county since boyhood. He  
received his education in the public schools,  
and his experience in various business de-  
partments has made his public life a practical  
success and well qualified him for the position  
he aspires. For two years he was con-  
tacted with the local postal department and  
also served three years in the employ of  
Wells, Fargo & Co. After this he engaged  
himself in teaching school and finally en-  
gaged in the mercantile business. For two  
years he acted as deputy County Recorder  
and Auditor, served one term as County  
Clerk and ex-officio Clerk of the District  
Court, and at present is the acting deputy  
Treasurer of Lincoln County. His political  
life has made him familiar with county and  
state affairs and speaks volumes for his  
efforts in the coming campaign. Joining  
the army of political deserters in 1892 he  
commenced the publication of the Lode,  
the first People's Party paper in Nevada,  
and which is still fighting for that cause.

DE LAMAR DOTS.

A toll road is spoken of, to be constructed  
down the canyon in which the mill is being  
built. The exceeding roughness of the  
roads between this place and Helene make  
the construction of a toll road between the  
two places appear to be a good business  
venture.

Wertheimer & Co's stone store will be  
completed shortly. Iron doors have been  
ordered for the front and rear openings.

Samuel Reed will have his building ready  
for occupancy in about a week. It is a  
 commodious structure and stands back from  
the street on the east side.

W. D. Maynard's building, on the west  
side of lower Main street, to be used as a  
restaurant, is well under way and will be  
ready for occupancy in about two weeks.

The millsite is about graded and a good  
part of the stone foundation is already in.  
Lumber in considerable quantity for build-  
ing is on hand and framing of timbers will  
soon commence. The water ditch is com-  
pleted to the mill and pipe laying is in pro-  
gress. Seven tons of additional pipe is on  
the way from White Pine county.

The lessees of the gold cup claim report  
the mine to be looking better all the time.

Lyon County Times:—It is a hard thing  
to prove, but we are aware that there is  
money from the East in Nevada to-day for  
the purpose of electing anything but a  
silver party man to Congress.

Pick out twenty young men and not more  
than five of them are making an effort to  
save money. The indications are that the  
poorhouses of the future will have to be six  
stories high with folding beds in every room.

Mr. Newlands aply says that if the  
United States would sell a colony of Great  
Britain and she should say as she has, "We  
deny you the right to coin your silver with-  
out our consent" it would arouse such a  
feeling that an immediate call to arms would  
be made.

William McCullom, an employee of the  
Southern Pacific railroad at Sacramento, in  
a published statement claims that he knows  
all about the wrecking of the train on the  
11th of July. He says that the track was  
not torn up on the night of the 10th, and  
that S. D. Worden had nothing to do with it.

The smelter sight has been selected and  
will be opposite the Imperial mill, says the  
Kennedy New Era, and upon Mr. Wardner's  
return from Winnemucca, laborers  
will be instructed in the plans and specifica-  
tions of the building. W. L. Austin goes  
from here to Arizona and thence direct to  
Chicago where he will arrive October 25th  
and there remain to superintend the furnace  
construction at Fraser & Chalmers works.

Francis G. Newlands, the Silver Party  
nominee for Congress has many friends in  
Lincoln. No small number of our old  
soldiers remember with gratitude his  
services to them through the Bureau of  
Pensions during his present term, and they  
will manifest their appreciation at the polls  
in November both by their own votes and  
the votes of their friends.

The attack by the Carson News, a Re-  
publican paper, on General Jones the Silver  
Party candidate for Governor, on account  
of alleged wrongful methods in the Land  
Office, has ended. A controversy over fees,  
exists between the State Land Office and  
the United States Land Office which the  
ardent Republican supporters sought to con-  
struct into fraud in order to hurt General  
Jones' candidacy. Deputy Surveyor Genl.  
Hanford's replies to the Republican charges  
put to blush the authors of them, and show  
up the maliciousness of the whole affair.

It is a recognized fact that the political  
contest now in this State is between the  
Silver Party and the Republicans. To use  
a slang expression, neither the People's  
Party nor the Democratic Party are "in it"  
except so far as they weaken the forces of  
either the Silver men or the Republicans.

The Silver Party carried the State two  
years ago by the largest majority ever  
known. The principles which the party  
follows are still of paramount interest to  
the people of this State and the principles  
insure another victory. The Silver Party  
flourishes in every county in the State and  
the ravings of the few Republican sheets  
remaining indicate the desperate pass to which  
they realize their political organization has  
come. Don't throw away your vote on the  
sixth of November but vote for the Silver  
Party that is going to win.

NEW TO DAY.
